

OnStar® MyLink™ Download and Registration Process

First, make sure the vehicle is a 2011 model year vehicle with this functionality (see chart on following page) and that the OnStar subscription service is activated. Next, write your OnStar account number and ZIP Code in the appropriate areas below.

1. Create an OnStar username and password at onstar.com

- a. Get ready with your OnStar account number _____
(available from your OnStar confirmation email or by calling 1.888.4ONSTAR)
and ZIP Code _____
- b. Visit onstar.com
- c. Click on the “My Account” tab, then “Renew/Manage Account”
- d. Enter your OnStar account number and ZIP Code
- e. Create your onstar.com username and password (write these in the appropriate areas below)
- f. Verify that your valid email address is entered under your Account Profile (your registration code will be sent to this address)
- g. Click on the “Activate Mobile App” bar (midway down on right side of screen in “Log On” box)
- h. Click on “Enable Remote Commands” radio button
- i. Click “Save” and log out of your OnStar account

2. Download the OnStar MyLink mobile app from your Android™¹ / iPhone®² / iPad®² / iPod Touch®² device app store

- a. Visit iTunes® for iPhone® apps or Google™ Marketplace for Android™ apps and download the app -OR-
- b. Click the OnStar icon from within the myChevrolet, myCadillac, myBuick or myGMC app (if you've previously loaded one of these)

3. Launch the app and log in with your OnStar username _____ and password _____, created at onstar.com

4. Request a registration code for your device (you are automatically prompted to do this on first login)

5. Retrieve your registration code from the email on file with OnStar and enter in the space provided

6. Click on “Register My Device” and begin enjoying your OnStar MyLink app!

Note: You will be prompted to enter your OnStar PIN each time you send a remote command to your vehicle.
