

INSTRUCTIONS

CAMARO SUPERFEST 2014 FRIDAY ACTIVITY

INFORMATION – MIS!

In keeping with SUPERFEST tradition, we again have an excellent activity for you. We're RETURNING to Michigan International Speedway for several parade laps of YOUR Camaro ON THE TRACK and a FREE photo of your Camaro on the track! Our schedule for the day will be-

Assemble Camaros at HQ hotel at 9am, leaving en-masse at 9:15am
We will be traveling only 4-5 miles of freeway and then paved highway all the way to the track. Our route couldn't be simpler! Just don't make any turns! We will encounter many traffic lights and get separated, but just stay the course and you'll get there! Make sure you have a map/directions before we leave the Hotel, just in case.

We will collect the **COPIES OF YOUR DRIVERS LICENSE AND PROOF OF INSURANCE** at the track. You **MUST** have these copies or you will **NOT** get on the track, no excuses, no whining, no exceptions!! Get these copies BEFORE you leave from home or see the hotel front desk.

For those meeting us **AT the track**, we will have a registration table set-up at the Turn One Tunnel entrance for you to go through a mini-registration. We will NOT have goodie bags or event t-shirts, just the bare necessary paperwork. We will accept new registrations also!! So let your Camaro friends know! Meet us there at 10:30am.

We will line-up on pit row in three (or 4) lines, just pull into one. We will have a drivers meeting in the middle of pit row, so once your Camaro is parked, listen for the announcement of the drivers meeting!!

Approx. 25 Camaros will be allowed on the track at a time. Track speed limit is 65 mph!!! We **WILL** be checking speed!!! Any burnouts, speeding, horseplay, will result in your expulsion from MIS and the event, no refunds!! The basic word of the day is - **'DON'T SCREW-UP!!!'**

Each group of Camaros will take 4.5 laps around the track. You leave pit row, cross the start/finish line 4 times and return to pit row.

Once everyone has had their laps, we will try several ALL Camaro laps for a huge group photo on the front straight!

Once all laps are done, each Camaro will be called up for their photo on the start/finish line. Everyone WILL get a photo! This takes a bit of time, even though each picture is only about 30 seconds each. Multiply that by close to 200 cars (our estimate for how many will make the trip) and you have just over 3 hours of photo taking! Once your picture is complete, you are free to leave the track grounds and head back to the hotel on your own.

Because this activity is almost an all day affair, we HIGHLY suggest you bring a cooler and bag lunch!! **NO GLASS CONTAINERS PLEASE!!! NO ALCOHOLIC BEVERAGES!!!!** There are bathroom facilities, but NO vendors will be present!! This is also not a come and go activity! Once at the track, you are AT the track, until your photo is complete! The picture will be provided by us, CAMARO SUPERFEST 2014 and be available during the show on Saturday and Sunday. If you will not be at the event after Friday, you must make arrangements to get your photo. Sorry, we will not mail photos. **Lastly, make sure your gas tank is FULL!!**
